## Namaka Notes

The C.F.W.A. will meet at Mrs. Sims on Saturday next, May 3rd.

Mr. S. J. Hodges shipped two cars of fine stall fed cattle last week. These were billed to Calgary.

A car load of prime hogs was shipped to Calgary on Thursday last by the Namaka Farm.

Mr. W. E. Anglin has returned home after spending several weeks in the lumber camp. He is now busy putting in a crop for Mr. J. E. Dillabough.

Mrs. Marjorie, of Calgary, accompanied by Rose Marcy, were visitors of Mr. Gus Marcy over the week end.

Miss Everett, of Hammer Hill School, and Miss Walsh, of Namaka School, attended the teachers' convention in Calgary last week.

Mr. Alex Montgomery is the possessor of a new Chevrolet touring car. Why the touring Alex? We thought it would be a couple.

Mr. J. Bird arrived here from Red Deer on Tuesday last to assist Mr. Alex Young, manager of the A. P. Elevator Co.

Several members of the local L.O.O.F. were visitors to Glenora on Sunday last, where they attended the special Oddfellows' service.

## Carseland Center-shots

At the C.F.W.A. meeting, held at the home of Mr. and Mrs. C. A. Phillips a surprise party was given their daughter, Mrs. H. D. Hobbes. Many interesting and useful articles were presented. The bride was dressed distinctly in white, and was visibly affected by the kindness of her friends, of whom there were about thirty present. After the presentation a delectable lunch was served, concluding a pleasant afternoon.

The Red Cross organizing nurse arrived on the 28th, being met at Cheadle by Mrs. H. D. Hobbes. She will be the guest of Mrs. J. Nelson while amongst us.

Mrs. C. A. Phillips and Mrs. C. P. Baker and daughter left on Saturday for Michigan, where they will spend the summer. Wish them well.

## Cheadle Notes

Miss Helen Miller returned to Calgary after being sick at her home here with diphtheria. The family are now out of quarantine.

Bob Wade is not feeling any too good yet after his recent attack of influenza.

Mrs. Grant Craig and Florence are home again after a visit to Ebbow. The Cheadle school reported on Monday 28th, after being closed during the holidays.

Mr. Bickel, our school teacher, is back on the job, after spending the holidays with his parents in Calgary.

Miss Hicke, Fairplay school teacher, spent the holidays at her home in Calgary.

Mr. W. E. Keer received a car of lumber this week for the erection of a new barn and poultry house.

The Chapin orchestra, of Calgary, put on a dance on Friday, the 25th, in the Club hall. There was not a very big crowd, as everybody is too busy on the land this time of the year.

enveloped by flames. Mr. Moreno has his hands full in quenching the fire as it licks its way toward a gasoline supply truck, throwing himself full length upon the flames with a smelter blanket, saving hundreds of lives of executionists who are trapped by the conflagration. These and other thrills glare distinguish this production.

## Back From California

And Glad To Be Back

"London Punch" at one time issued this sage advice: "To those about to marry—don't."

Dick Jenkins, who returned to Strathmore last week from the land of movies, sunshine, and oil, gives the same advice to those about to go to California.

According to Mr. Jenkins, California has some that and the town broken, with the consequence that many who are there are looking for a way out, and he looks for many to come to Canada from there.

California is a good country, he says, but it has been overexploited, and as a consequence thousands have come there in search of jobs that do not exist.

His first impressions in California were not good, for his first night in an hotel he was gassed through the skylight of the door, and his ready money taken while he was unconscious.

During his visit he motored over 8,000 miles, and had therefore a first-class opportunity of seeing the country.

He states that farmers throughout the Pacific States have not been getting any more for their grain than those of Alberta. At the same time their taxes and land charges are much heavier. As to fruit, he saw apricot orchards where the fruit had been allowed to fall off and rot as the prices paid would not cover the labor charge of picking and crating.

Even the climate did not appeal to Dick after the bracing air of Alberta. He said that he and the other Canadians were "annoyed" most of the time, the change of climate giving them prolonged colds.

## Irricana News

Mr. Grimwood is on the verge of disposing of the contents of the hotel interior to a prospect from Rosebud. Jim Halliotype is up from Redlands shaking hands with old friends, some of which were directors of the defunct White Mills.

Miss Gertrude Bulger, who spent Easteride vacation with Mr. and Mrs. H. Miller, has returned to Calgary to resume school duties.

Miss Lois Chapman has returned from her "macleay" vacation and resumed school duties on Monday. Merchant to motored on Monday morning: "How are the roads?" Fine, Fine, except within two miles of Irricana.

Mr. Harold Hones, of the H-H ranch, was a business visitor to the city during the week.

Miss Maud Kornick returned to Drumheller to resume her chases as the Drumheller public school.

Doctor Wilson has been a busy little body for the past two weeks on account of so many families being ill. No days seem to hard or too long for the popular doctor.

## Seeding In Full Swing

Seeding is somewhat late this year owing to the cold weather during the first part of April, and the amount of snow during the month. The snow storm last week tied up operations for several days, but operations were in full swing Saturday. A considerable amount of rain fell at Sunday and Monday forenoon. The greater part of the wheat crop has yet to be seeded in, but a week's favorable weather will see the most of the wheat in.

While the moisture has been a deterrent to farming operations, yet it assures the crop a fine start, and gives confidence in another successful year.

A lot of plowing has been done during the past two weeks.

## NEW YORK TO STRATHMORE AND RETURN

By Motor

Mr. A. Hamers, with his brother and wife, has recently returned from a visit to Holland. One notable feature of the trip was that the whole of the land journey both ways was made from Strathmore by motor, to point of embarkation New York.

They had a very enjoyable trip, and found the roads good for the larger proportion of the journey.

## NAVAL SQUADRON'S VISIT CHANGED

Changes have been necessitated in the itinerary of the special service squadron of the Royal Navy now in Australian waters. This alters the dates for the squadron's stay in British Columbia waters, which are now: Victoria June 21 and Vancouver June 25 to July 5.

## Enjoying Poor Health

Mr. Larsen has purchased a new Chevrolet.

Mrs. L. H. Laydson returned from Calgary on Wednesday, she was accompanied by her daughter, Miss Nannie, who recently underwent an operation for appendicitis. Nannie is still very weak, but we are glad to know that she has recovered sufficiently to be home again.

Miss Helen Gregory spent her Easter vacation at the home of her parents, Mr. and Mrs. R. Gregory. She returned to resume her studies on Monday, at the Sacred Heart Convent in Calgary.

Mr. L. P. Schoelling is in Calgary looking after business interests there.

Mr. John Larsen left on Tuesday for Revelstoke, B.C. Mr. Larsen has secured employment in Mr. Schoelling's mine near Revelstoke.

Glenn Phillips and Mrs. Law, of Chancellor, motored up to Standard on Sunday in one of the new Ford coupes. They left Denver with Mrs. G. H. Dickson while in town.

Mr. and Mrs. Fred Christensen returned last Saturday from Denmark. Mrs. Christensen left Standard last July and spent an enjoyable time with her parents, and renewing old acquaintances. Mr. Christensen joined her at the station here, and returned to the S. S. United States. Quite a number of friends and relatives were at the station here to welcome them home on Saturday.

Mr. and Mrs. J. P. Pringle and Master Wallace Pringle motored to Calgary on Easter Monday, returning Tuesday evening. On Wednesday morning after a heavy fall of snow, they certainly thought there was "no place like home."

Mr. J. Scillon was a business visitor to Calgary last week.

The Mayland Commission Co. shipped four carloads of stock from this point last Tuesday.

Mr. N. P. Nelson motored to Calgary last week.

Mrs. D. A. Fletcher and children returned from Ontario on Friday.

Mr. Severn Hanson arrived in Standard on Friday from Long Beach, California.

We are sorry to report that one of Fred Danforth's new ties is in the hospital in Calgary, suffering with typhoid fever.

A number of Danish settlers arrived in Standard last week from Denmark. Mr. H. A. M. Graham returned from Calgary on Tuesday after spending the Easter vacation in Calgary.

Mr. Jack Gannon is back at work again after his short Easter holiday spent at Airdrie.

Friends of Miss Viola Myrth paid her a surprise visit at the home of Mr. and Mrs. N. W. Thompson on the occasion of her birthday, April 25th. A pleasant evening was spent, after which dainty refreshments were served. Among those present were Mrs. S. Myrth, Misses Elin Larsen, Cella Myrth, Thelma Nelson, Edna Jensen and Mearns W. Myrth, Elmer Rasmussen, Elmer Rasmussen, Leo Larsen, Axel Rasmussen, and Magnus Christensen.

The town council have employed dryman Pete Hansen to improve the driveway in front of the Banner Hotel.

## Picture of Thrills

Meaning of Course, George Melford's "Flaming Barriers."

Enough thrills for a full length serial are incorporated in the George Melford Paramount production of "Flaming Barriers" which comes the Memorial Hall on Saturday. Jacqueline Logan, Antonio Moreno and Walter Hiers are featured players and in the portrayal of their respective roles they accomplish death defying feats such as would put fearless circus performers to shame. Miss Logan pilots an aeroplane over a flaming forest and drives a fire truck over a bridge.

## A secret so simple many overlook it

Yet millions of women keep youthful  
loveliness this way

To realize the dream that is in every woman's heart, to keep the youth that every woman wants—turn for a while from the elaborate treatments and methods. Try this simple but correct way by which millions of women are keeping youthful radiance and charm.

**Authorities advise this.**  
Cleanse the skin regularly, authorities say, to keep your complexion lovely, radiant, youthful, but beware of harsh cleansing methods. They injure skin.

Wash thoroughly with Palmolive Soap—each night before retiring. Rub the creamy, foamy lather well into the pores. Rinse—and repeat the washing. Then rise again. Then—dab a little cold cream. That is all. Skin as cared for is not injured by cosmetics, by wind and sun, or by dirt.

**The simple, correct way.**  
You cannot find a more effective beauty treatment. Because

Palmolive Soap is blended of rare palm and olive oils—forming for mild but thorough cleansing qualities since the days of Cleopatra. And it is inexpensive. Just be sure to get Palmolive—which is never sold overpriced. All dealers have it. Then for one week try this simple treatment. To your delight, results will be noticeable even in that short time! The cost is so little that you can use Palmolive for the bath, too.

## - Clean Up and Plant Trees -

Spring cleaning should not begin and end in the home. It is the duty of every citizen to see that his town is clean. A clean town is an attractive town. It is also a healthy town.

Strathmore Town Council has made several good moves this spring. The nuisance ground is being removed from

its present location beside the main highway, where it is an eyesore.

A garbage collection system is also being installed, and each household and stockpiling is to be required to keep a receptacle for garbage which will be emptied weekly. These are elementary sanitary precautions.

Strathmore has made great strides in the past few years in the planting of trees, and the effort has been well worth while. We have now one of the most attractive towns on the prairie. There is room for many more trees, and we trust that the citizens will do their bit this year, as they have in the past.

## Town of Strathmore

### CLEAN UP!

Property Owners and Occupiers are requested to at once have all refuse, etc., raked into heaps, burnable, non-burnable, and ashes to be in separate piles. Place in position convenient for removal by wagon. The Town of Strathmore has contracted with Mr. John Schaufeli to remove this material, but all cleaning-up of yards, etc., has to be done by the owners and occupiers. The town will not remove manure. This will have to be done by property owners or occupiers.

The old nuisance ground is not to be used hereafter, and no person but the town contractor will have access to the new ground without special permission.

After this date it will not be allowable to deposit refuse on ground. Provide garbage containers of sanitary type. These will be emptied regularly by the town.

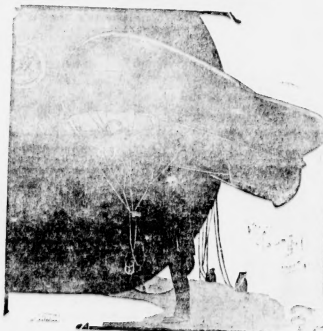

The Council, in the interests of public health and cleanliness, look for the co-operation of the townspeople in this matter, and all not complying will be liable to prosecution. By order.

F. R. LILLY, Sec. Treas.

April 16, 1924.

### World's Smallest Balloon

One hour of something new about aircraft creations almost every day. Here's the latest subject of gossip—the "world's smallest observation balloon." Only 14 feet in length, look how it compares with the ordinary army air service dirigible in the background.

Just like a rocket up against an ocean liner. Its inventor and builder is A. Roy Kershner, a familiar figure in aircraft circles for many years, who is now wintering in Los Angeles. His life is shown in the above photograph holding the midjet balloon.

## Social—Personal

Mrs. A. D. Currie spent a few days in Calgary last week, visiting her mother, Mrs. Curwright.

Mr. C. A. Lyallist has returned from Boston, where he has been spending the last three weeks.

Mrs. Douglas French spent a few days in Calgary last week visiting friends.

The Rev. A. D. Currie is attending an Ordination meeting in Calgary this week.

The Anglican Church choir met on Sunday last and took part in the Easter service conducted by the Rev. A. D. Currie. The special Easter music was very beautiful, and the choir sang two anthems, under the able leadership of Mr. E. M. Lamb. "He Liveth Unto God" with solo by Mrs. Douglas French, and "The Resurrection Morn." After the service a delightful lunch was served at the home of Mrs. Lewis of Casselton, who was assisted by Mrs. Gardner and Mrs. Heald. A very pleasant time was spent, and on their departure, the choir received many invitations to repeat their visit.

Mr. and Mrs. T. Schulte leave to-day for Watrous, Ohio. Their many friends will regret their departure from Strathmore, but wish them success in their new sphere. Mr. Jerry Thompson succeeds to Mr. Schulte's position as electrical superintendent for the C.P.R. D.N.I.

Mr. and Mrs. P. Nalanth will move into the house vacated by Mr. and Mrs. Schulte.

Several of the local housewives who are contemplating matrimony in the very near future have already sent bouquets in prospect of June or July weddings. The old saying was, "What is home without a wife?" but on the other hand, "What is a wife without a home?" These inviolable, well-made good husbands, and we congratulate the ladies on their choice.

Mr. Ed. Bucknell left on Tuesday on a four months' visit in friends at Kingston, Ontario.

Messrs. Wm. McMillan, Vic. Chapman, Carl Brown, F. Colbert, and T. Glendinning, Rockyford and Balmain residents, attended the meeting of Strathmore Masonic Lodge on Monday evening.

Mr. W. R. Harvey is undertaking extensive improvements to his home, at a cost of several thousand dollars. The work is being contracted for by Mr. M. S. Hirtle. A considerable amount of farm building is in prospect for this year, which is an evidence of better times.

Mrs. L. M. Dowitt returned from a visit to Edinburg yesterday.

Mr. F. R. Lilly attended the funeral of his sister on Saturday at Banff. The body was brought from Toronto for interment, and the ceremony at the graveside was performed by Rev. Canon Montgomery, formerly of Strathmore.

## Local Jottings

**OF LOCAL INTEREST**  
 Readers are requested to send in items for this column not later than 12 o'clock Monday noon preceding day of publication. All local news items are assumed by the Standard, Phone 17 or 88

How about a little May dew tomorrow morning? Some merchant might say "How about a little bill due tomorrow morning?" Still others may wait about June 1st, "How about a little mountain dew this morning?" And so it goes.

Mr. T. M. Wears, barrister, has been appointed issuer of marriage licenses for Strathmore, under authority of the Provincial Government. Tom might make one out for himself while he is doing it for others.

The new Sawyer-MacKay grade, under the town and six for M. D. Bow Valley, have now been delivered, and are being put to work. And they surely are needed.

The sale of Mr. T. Schalte's effects last night was very successful, a large crowd being present, and good prices ruling. Mr. A. Layzell was the auctioneer. Mr. Layzell has conducted a large number of sales in Strathmore district, and has given satisfaction to all his clients. He states that he gets better results through his advertising in the Strathmore Standard than through any other medium.

There was a large turnout to the film "Monte Cristo" in the Memorial Hall Saturday evening. Mr. Hirdle is showing a fine line of films, and his bookings for the next two months are all good pictures.

The choir of Strathmore Anglican Church attended the service held by Rev. A. D. Currie at Carleton Place Sunday forenoon.

Monday was Scotch night at Strathmore Masonic Lodge. The candidates and the officers conferring the degrees all hailed from the land of the Heather. The number of superfluous "a's" rolling around are said to be accountable for the atmospheric disturbance felt by radio listeners that evening.

Donations of \$100 to the Memorial Tablet are acknowledged from Bert Oxley and Geo. Anderson.

Mr. J. C. Buckley writes to correct a report which appeared in the Albertan that he visited in the house for the amendment prohibiting liquor advertising. This, he states, he did not do, and he asks for the report to be corrected.

Strathmore Curling Club held meeting last night to wind up the season's business. The winter just over was not a successful one from the curling point of view, as the weather was too mild for ice most of the time.

Mr. Patterson, who recently took over the Strathmore Bakery, reports that he is doing a very good business, and his bread is of such good quality that large orders are coming in from neighboring towns.

As will be seen from our advertising columns, several parties are advertising their applications for an hotel beer license.

Miss Storey, of Balenoid, is on the local telephone staff at present, during the absence on holiday of Miss Barton.

Amateur gardeners are getting under way with the preparation of their lots. A good garden is an asset to the town, and it would be a good idea to form a gardeners' association, and have several prizes for the best gardens at the end of the season. This could be conducted as part of a horticultural exhibition.

The G.W.V.A., with the co-operation of Mr. R. S. Stockton, are adding to the attractiveness of the town by planting and planting to trees the two lots to the north-west of the Municipal Hall, the work being done by voluntary labor. To ensure the growth of these trees a fence should be constructed round the hall grounds, but the finances at present do not allow of that expense. However, cattle-owners, etc., can cooperate with those who are trying to beautify the town by keeping their cattle where they belong.

## REFINERY AT LETHBRIDGE

Gasoline was landed out for the first time last night from the refinery of the Stand of Refining Co. at Lethbridge.

## MONEY IN SOUTH ALBERTA

According to a statement of W. H. Fairford, of the experimental farm at Lethbridge, about 100 tons of hay were produced in the Lethbridge district last year. Hives on the experimental farm averaged 200 lbs. a week.

## ALBERTA'S POPULATION

According to the basis on which Alberta is now receiving subsidy from the federal government, the population of the Province is estimated to be 645,000.

## DRECO GREAT SAYS FRUIT INSPECTOR

Well-Known Winnipeg Official Endorses Famous Herbal Remedy. It Relieved Him of Many Distressing Symptoms. He Says:

"I only took one bottle of Dreco to convince Mr. F. G. Gow, of 34 Steel Block, Portage Ave., Winnipeg, of its sterling worth as a tonic and corrective. Here is Mr. Gow's statement: 'Dreco has proved to me that it does all that is claimed for it. I suffered from indigestion, and everything I ate soured and turned sour that caused me to blast, and was very distressing. I often had dizzy spells, and attacks of the throat, and stomach bothered me a lot. Dreco is helping those conditions wonderfully.'"

"I have only taken one bottle, but even in this short time my improvement is marked. My food no longer sours, nor does it form gas as it used to. I haven't had a dizzy spell since starting the treatment and my earache is also much better. I am sure that a few more bottles will relieve me completely."

This grand herbal remedy, Dreco, is endorsed by responsible men and women all over Canada. Its corrective properties are especially beneficial to the organs of digestion, while it cleanses the system of sluggish waste matter and pacifies the blood. Dreco contains no mercury, potash, or habit forming drugs.

Dreco is being specially introduced in Strathmore by the Strathmore Pharmacy, and is sold by a good druggist everywhere.

## ENJOY RADIO ON CONTINENTAL LIMITED

NO longer need the business man or broker be out of touch with the market fluctuations while he is travelling from his own city to another on the Continental Limited, the all-stated train of the Canadian National Railways. The Canadian National system is the first railway in Canada to provide radio receiving sets aboard its regular trains for the convenience and

entertainment of passengers. Efficient receiving sets, in charge of competent operators, are being installed in observation cars on the Continental Limited, with the result that the business man or the market regularly while travelling or may enjoy music or other entertainment features broadcast from the various stations in Can-

ada and the United States. Market quotations are sent from the large American and Canadian broadcasting stations at regular intervals during the business day and in addition to these, passengers aboard the Continental Limited are enabled to enjoy good music and other features as they travel across the continent.

## Trade With Your Customers

Sir Halford Mackinder, chairman of the Imperial shipping committee, speaking at Fort William Thursday, dealt with shipping problems, and pointed out that Canada could not expect lower rates very materially while she was shipping millions of bushels of wheat across the ocean and not getting in return cargoes westbound. He said that three million tons of coal coming west would about equal one hundred million bushels of wheat, and this was only three days' output from the coal mines of the United Kingdom. He advised the study of ocean communication, he said, the effect on rates of equalizing the tonnage sent and was found across the Atlantic world to be greater than all the improvements that are now being planned, including either at Vancouver, the Hudson Bay or the St. Lawrence.

Dealing with these improved facilities, he said: "When all your shipments in this line are achieved, you may suffer disappointment in the result." The cattle trade that Canadian seek is faster only will appreciate with eastbound freight of a very bulky nature, the present conditions.

Sir Halford Mackinder is taking common sense. It would not only the freight situation to ship east to Vancouver from England, as the west has coal enough, but there are many articles that Britain can supply. The practice with which could be shipped to Vancouver in the ships that take the wheat to Britain, and by buying British goods we will be helping British goods we will be helping. That is the true importance. At the same time, we should afford encouragement to goods produced in Western Canada for Western Canada and British are the principal markets for Western Canada's agricultural industry.

### TAR SAND EXPERIMENTS

Plans to bring to completion this year the experimental work in connection with the use of tar sands from Fort McMurray have been made by the Alberta University authorities in charge of this research work. A plan for the extraction of bitumen will be executed this summer at Edmonton.

## Adequate Pensions for Disabled Veterans

The Amputation Association of the Great War ask us to give publicity to their claim that the present bonus pensions be made permanent. The pension Act of 1919 allows a permanent pension of \$600 per year for total disability. This has been supplemented by a bonus of \$200 per year. War widows were given a pension of \$400 per month, increased by bonus to \$720 per year. Partial disabilities have been paid on the same basis, according to the amount of the disability. The provision of the bonus expires this year, unless renewed by parliament, and the disabled men are asking that the bonus be made a permanent addition to the pension.

No one will contend that a pension of \$900 per year is an extravagant amount for this country to pay to the men who lost the use of their faculties in the defence of their country, and it would be an outrage if the amount was reduced to \$600 per year.

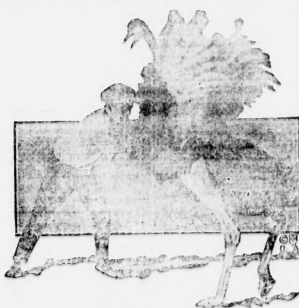

We feel sure that our local members, Mr. Wm. Irvine, will vote to have the bonus made permanent, and our members generally will acknowledge the debt owed by the country to the disabled veterans by at least retaining the amount paid at the present sum of \$900. The widow whose husband died on service is also entitled to the best the country can afford.

The men who suffered disabilities in the war were men whose earnings during their normal life would have largely exceeded the sums mentioned, and surely they are entitled to be pensioned on their earning capacity. Canada pays \$44,000,000 per annum in interest to the people who loaned their money to pay the cost of the war, and grants them income tax exemption besides. Surely those who gave their bodies as a sacrifice are entitled to be commensurate as generous a scale, at least as those who loaned their money.

### FIRST CARBON BLACK PLANT

The first carbon black plant in Canada will be installed, it is stated, at Peace River, by the Canadian Portland Cement Co., which company plans to utilize the great deposits of gas in the Peace River district. The company plans to employ about two men at the commencement of the operations, if its plans are fulfilled.

## Fine Feathers Make Fine Birds But—

It's either "hang on" or "let go," when it comes to plucking industry's feather from an over-fertilized ostrich. Because if you don't hang on, just due for a while from its powerful toe which is apt to find you in "Anglo-Canada." If you should slip and let go of the bird, it's safest to fall that for an ostrich is kindly inclined toward a fallen foe. It will not strike a man while he's on the ground.

Take a look at the above photo, which was snapped on an ostrich farm at Jacksonville, Fla. The little fellow who is doing his best to pluck some of the ostrich's feathers seems to be having a hard time of it. If you look like a man, you wouldn't particularly enjoy indulging in it. It comes too close to changing our occupation of writing to playing a hardy game.

Fine feathers may make fine birds, but it's not fair for us to try to get them.

## Rockyford Locals

Mrs. G. Lyons and daughter, of Calgary, were visiting Mr. and Mrs. C. M. Griffiths and family for a few days.

Miss Mae Louchtham is spending a few days in Rockyford, the guest of the Misses Griffiths.

Miss Florence Walsh, of Nanaimo, spent the week end in Rockyford renewing acquaintances.

Mrs. Ted Greivall, of Redlands, spent a few days with the Litchies.

The children's party, held in the Masonic Hall on Saturday evening April 26th, was quite a success. Everyone, even the older kids, enjoyed themselves.

Don't forget the big dance May 5th, in the Large Hall, under the auspices of the Hockey Club.

The recital was held in St. Rita's church Monday evening last, at the Large Hall, as it was a little chilly for the artists.

F. S. Horton's ranch has now been connected with the Rockyford telephone exchange. Their phone number is R416.

Miss Kathleen Kenny, of Calgary, is visiting Mrs. McGuire.

Dr. Tiffin and Larry Gilekowsky were in Calgary on Saturday as delegates representing Rockyford baseball club at the annual meeting of the Amateur Athletic Union of Alberta.

"The Face on the Bar-Room Floor" (Van. Fox special). A real dramatic story. Also Al St. John in a two-reel comedy, "Foot Taps" at McCreca Hall, Rockyford, Tuesday, May 6th. Admission 25c and 50c. Two shows, 8 p.m. and 9:45 p.m.

Wee Angus Cochran, son of W. T. Cochran, of Calgary, was a visitor to Rockyford during the Easter holidays.

Mr. H. E. Blinworth, who has been laid up with an attack of colic for the past two weeks, is in Calgary at the Holy Cross Hospital. He is expected to be out in a few days.

The annual meeting of the Union Church Ladies Aid was held in the Ladies Parlor of the church on Friday, April 25th, at 2 p.m. A very time report of the activities of the aid for the past year was presented by the secretary, Mrs. Poiry. The financial records for the year amounted to \$725.25. A request from the trustees was presented, asking the ladies to undertake, as their objective for the year, the raising of the interest, about \$150.00 and \$100.00, required to meet the loan by the society, and they proposed commencing to work upon their objective immediately. After the business of the meeting was completed, Rev. Gordon took charge, and conducted the devotion for the evening. The new officers are: President, Mrs. C. A. Smith; Secretary, Mrs. Poiry; Treasurer, Mrs. W. Harwood; Chaplain, Mrs. H. Dunscombe; Visitors, Mrs. Donald, Mrs. Kelley, and Mrs. E. H. Dixon. A very hearty vote of thanks was given Mrs. L. W. Bailey, the retiring president for her splendid services of last year. Mrs. Dixon served an enjoyable lunch, when everyone had a happy social time.

Union Church next Sunday evening. Subject, "War and the Kingdom of Heaven."

The Rockyford Ladies Club met at the home of Mrs. L. Miller on April 25th. After the business meeting Mrs. F. E. Ryan, of Redlands, presented an interesting and enlightening discourse on women's rights in Alberta, including some of the recent news now passed by the Alberta Legislature offering women's rights and child's welfare work in the province. The next meeting of the Rockyford Ladies' Club will be held at the home of Mrs. F. Ryan. It being the last meeting in the term, a new election of officers will be in line, and a good attendance of all members is expected May 8th, at 2:30 p.m.

Sympathy is extended to Mrs. M. H. Mitchell, our local High School teacher, on the death of her mother-in-law in Calgary recently.

**FOR RENT.** Lots 17 and 18, Block 3, and 2 roomed house, situated on lot 17, \$10.00 a month. Apply Rogenbuck, Phone R312, Rockyford. 20-4u

## Successful Recital

Musical lovers of Rockyford and district are fortunate. Even in the largest towns and cities such talent as was expressed on the piano and violin by Rev. Fr. Boltz and Mrs. Odella Meyers would be of outstanding merit. It was a wholesome treat to lovers of the best in music. A large attendance heard the recital, held in the Catholic Church on Monday evening, were very enthusiastic, and paid liberal tribute to the varied programme presented. Mr. C. R. Walcott, as director, has reason to feel proud of the finished work of the choir, whose presentation of "Glorious is Thy Name O Lord" (Mozart), and "Gloria Be Tu Deus" (Vogler), was most commendable. Soprano features by Miss Salie Spiliard were of outstanding merit, and very much appreciated. Father Boltz' interpretation of the poetry of music, and the carefully selected items from classical authors were such as to give the ideals and delight the senses. The finished technique and beautiful expression of Mrs. Meyers with the violin were among the outstanding features of a very successful recital, and were immensely enjoyed by everyone. —H. A. E.

Messrs Leslie West and James Barnett, Strathmore, spent last weekend at the Miller and Chisome home.

Mr. and Mrs. A. W. Miller and family are spending a few days with Mrs. Miller's parents, Mr. and Mrs. A. Barnett.

C. C. Simcoe is the latest to hitch on to the Rockyford phone exchange, his number being R707.

Twenty-four hour phone service will be a great boon. Have you seen? In your application form yet to help it become a reality. If not apply to the local phone office. Do it now.

Some of the local golf enthusiasts went on Saturday afternoon laying out a nine hole golf course. Shout "Fore," and let's go, golfers.

## Slats' Diary

Friday—well me and Jake and Billie had a thrilling time this morning. We found a dead dog which had been evidently hit by a auto and we took it and buried him on a newspaper and lay him on a porch with we dug a grave, well when we went back and opened up the paper we found we had a dead chicken and that evening after I arrived back home Mr. Gillen he came over and swore we played a nasty trick on him and says mebbey he will sue us for damages or sum thing for trying to get him to eat dead dog and steaming his chicken.

Saturday—Ant Emmy has been away on a visit and got us a letter which said she was a little worried on acct. that was a new employee on the train. He found his way without the house bit of trouble.

Sunday—Mr. Gillen stayed away from church today because he said the pulpit was no place to advertise his home. The new minister, initials was L. L. D. and he is probably stood for Lambert & Lath Dealer.

Monday—When we report cards come out today every 1 in the class was on the Roll of Honor but me and Jake are Department was to low to let us in being 74 and 49 respectively. It says that is when you note with getting Ormery mention.

Tuesday—Ma was a wandering why so many young folks was a getting married at such a young age and so remark that nobody they was out to make a record.

Wednesday—Mrs. Hix was kicking because she is getting so fat in spite of all her exercising. Ma said the only reason she gets is pondering her nose.

Thursday—The teacher at Mrs. Stevens what was Leisure and he re-plied and answered that it was a place where married folks went to repeat.
